COOKIE POLICY CASAGRANDE S.p.A.

Pursuant to EU Regulation 679/2016 "GDPR"

The purpose of this Cookie Policy is to illustrate the technical and analytical cookies used by Casagrande S.p.A. pursuant to Article 13 of EU Regulation 679/2016 (hereinafter, the "Regulation" or "GDPR"), so that the website in question can be used in an informed manner by those interacting with the web services of Casagrande S.p.A., accessible at www.casagrandegroup.com.

1. DATA CONTROLLER

The Data Controller for the processing of personal data is Casagrande S.p.A. with registered office in Fontanafredda (PN), Via Arturo Malignani no. 1, VAT number 00074230939 (hereinafter, the "Data Controller" or the "Company"), e-mail privacy@casagrandegroup.com, telephone 0434 994353.
The Data Protection Officer (hereinafter, "DPO") of Casagrande S.p.A. can be contacted at the following e-mail address dpo@casagrandegroup.com.

2. TYPES OF DATA PROCESSED

Data collected during the use of the Site are processed exclusively by authorised persons, by automated and non-authorised means, and for the time necessary to achieve the purposes for which they were collected.
In order to prevent the loss of data, as well as their illicit or incorrect use, specific security measures are implemented to guarantee confidentiality and prevent undue access by third parties or unauthorised personnel, in compliance with legal obligations.
The types of data processed on www.casagrandegroup.com include the IP addresses or domain names of the computers used by users connecting to the Site.
This data is used for the sole purpose of obtaining anonymous statistical information on the use of the Site and to check its correct operation.

3. COOKIE

3.1 WHAT COOKIES ARE

Cookies are data created by a server that are then stored in text files on the computer's hard drive or on any device used by the data subject to access the Internet (e.g. smartphones, computers), thus enabling the collection of browsing information of the data subject.
Cookies can be stored permanently on the user's device for different periods of time (so-called persistent cookies) or for a limited period of time (so-called session cookies).
Thanks to cookies, the server sends information that will be re-read and updated every time the user returns to that site so that the latter can automatically adapt to the visitor, improving the browsing experience.

3.2 WHAT COOKIES ARE USED FOR

Cookies are used for different purposes, have different characteristics and can be used either by the owner of the site you are visiting and by third parties.

In addition, cookies make it possible to provide the operator of the site with information on the users' navigation that is useful for obtaining statistical data on its use.

3.3 TECHNICAL COOKIES

The site uses *technical cookies* where possible subject to anonymisation, which are necessary for the proper functioning of the website and to allow the user to navigate; without them the visitor may not be able to view the pages correctly or use certain services.

Technical cookies are essential to navigate through the site using all its functionalities. For their installation, the user's consent is not required, only the obligation to provide information.

3.4 ANALYTICS COOKIES

The website uses *statistical cookies* from Google Analytics, also called analytics cookies, which are only used to produce aggregate statistics in relation to the individual website visited. These cookies are only installed or activated following the consent given by the user.

This person has the possibility of revoking all or part of the consent already expressed by means of the option present in the banner.

3.5 MANAGING PREFERENCES

Consent to the use of cookies is given by clicking on the “Accept” button in the banner.

For specific instructions on how to delete installed cookies or manage preferences, Data Subjects may visit one of the following sites, depending on the browser used:

- Microsoft Edge
- Google Chrome
- Mozilla Firefox
- Safari di Apple

4. PURPOSE AND LEGAL BASIS OF PERSONAL DATA PROCESSING

Personal data will be processed, with the support of IT tools, exclusively for purposes related to the management of the Site. If the processing is not attributable to the performance of contractual and/or regulatory obligations attributable to the Data Controller, it will be carried out on the legal basis of the Data Controller’s legitimate interest, in order to carry out checks on company processes and activities.

5. RECIPIENTS OF PERSONAL DATA

Personal data may be processed by external parties acting as independent data controllers, such as, for example, authorities or supervisory and control bodies.

Furthermore, data may be processed on behalf of the Company by external parties designated as Data Processors, who have been given specific instructions. These subjects fall into the following categories:

- Companies that provide services instrumental to the pursuit of the purposes set out in this document (such as, for example, IT suppliers, companies in charge of site management and maintenance).

6. TRANSFER OF PERSONAL DATA TO A THIRD COUNTRY OR INTERNATIONAL ORGANISATION

The Data Controller may transfer the personal data processed outside the European Economic Area ("EEA").

In order to ensure adequate data protection in the context of such international transfers, the Data Controller will adopt safeguards in accordance with applicable law, including adequacy decisions of the European Commission, pursuant to Article 45 of the Regulation, or standard contractual clauses approved by the European Commission, as well as contractual instruments ensuring adequate levels of protection (Article 48 of the Regulation).

In the absence of such guarantees, transfers will only take place in the presence of the exceptions provided for in Article 48 of the Regulation, such as the explicit consent of the data subject, the performance of contractual or pre-contractual obligations, important public interests, the defence of a right in court, the protection of the vital interests of the data subject or of other subjects, or if the data are contained in accessible public registers.

7. RIGHTS OF THE DATA SUBJECT – COMPLAINTS TO THE SUPERVISORY AUTHORITY

By contacting the DPO by e-mail at dpo@casagrandegroup.com, data subjects may request from the Company access to their personal data, as well as its deletion, rectification, integration or restriction of processing, in the cases provided for in Article 18 of the GDPR.

Data subjects may also object to the processing of their data for legitimate reasons related to the interest of the Data Controller. Furthermore, if the processing is based on consent or is carried out by automated means, data subjects have the right to receive their data in a structured, commonly used and machine-readable format.

Where technically possible, data subjects may transmit such data to another data controller without hindrance.

Finally, data subjects have the right to lodge a complaint with the Data Protection Authority, following the instructions available on the official website: https://www.garanteprivacy.it/.
